**Barra resorts**

Situated 485km north of Maputo, access is on a tarred road which is suitable for normal vehicles, (the road from Maputo to Xai Xai has been upgraded and resurfaced). Please note that there are numerous towns and villages en-route and the main road often passes directly through these villages so speed limits are enforced strictly and avoid driving at night as the drive from Maputo to Inhambane can take anything between 6–8 hours 500km.

Barra Lodge, the flagship lodge of the Praia Do Barra area, is set in one of the most picturesque areas in Mozambique, with spectacular views of pristine beaches and the crystal clear turquoise waters of the Indian Ocean. Barra Lodge offers accommodation that would suit all types of travellers. Barra has wide, white and walkable beaches and is bordered by the Inhambane estuary on one side, and the sea on the other. The lodge is nestled amongst groves of coconut trees with the warm Indian Ocean offering safe bathing all year round.

Situated on the beach, these **Beach Chalets** are fully air-conditioned, fitted with mosquito nets and have a bar fridge as well as one double bed and a separate room with two bunk beds suitable for children. The beach chalets boast beautiful views of the water, two loungers on a small stoop and being only a few metres away from the dive centre and facilities of Barra, these units are in a prime position.
